SIGNATURE COCKTAILS

These four cocktails are based on the traits and personalities of our Group founding family ("THE SHARMA FAMILY") of the three brothers, the Role model of an ideal father with 4 decades of experience in restaurant industry and his leadership. Their determinations, passion, dedication, and courage to keep moving forward is why these cocktails taste the way they do, strong, bold, sweet, soft, with a sudden hit.

Enjoy a small page of a Chapter that is yet to make history for all of us.
